Who are we?

- Learning technology specialists
- Online tools for creating and managing learning and assessments

- Mobile infrastructure specialists
- Mobile assessment client and device management infrastructure

[Ian Hall and Tom Holland]

[Robert Campbell]

The ALPS mobile tools

Tools for
creating and
editing
competence
maps

Tools for
managing
mobile
assessments
and learning

An
operational
e-portfolio for
gathering
evidence

Tools for
sustaining
dialogue
between
tutors and
work-based
learners

Tools for
marking
achievement
and
completion
against
frameworks

A mobile infrastructure
for improving students'
experience of
assessment and
learning while away
from the institution

What next?

- How do we take it forward?
- **Ask us questions!**—your chance to get answers before the advisory meeting
- What is your organisation's vision for where we take the ALPS tools next?
- Talk to us individually if you need any clarification on the tools

Thanks!
