

Working in Partnership:

ALPS and the Professional,
Statutory and Regulatory Bodies

Welcome

The Aims of the Seminar

To provide participants with the opportunity to:

- develop understanding of the ALPS programme and its relationship with the PSRBs for professional regulation purposes
- establish a spirit of partnership between the PSRBs and ALPS
- identify strategies to work with PSRBs to take ALPS forward
- identify potential barriers to implementing inter-professional assessment
- identify preferred mechanisms, including effective communication, for future engagement
