### [Disabled Students; Enabled Practitioners network](#)

*A Ning site is to be developed building on the MIPPS (Managing Impairments in Practice Settings) website – this is in progress and should be live by the beginning of April 2011*

## Professional development and confidence: embedding 'CIPA' into PDP processes for health and social care professional students

*Success; We have been accepted for the "Creativity and Engagement in Higher Education, Conference" in Salford July 2011. Student collaboration is a main theme and 14 attended a workshop to enable authentic feedback*

## Patient and Carer Voice

*We have held 2 story- telling workshops with patients and carers from York St John and Leeds Medical School Patient Voice Group. The groups worked on 3 questions:*

*What made you first get involved?*

*What helped / hindered you?*

*What effect has involvement had on you personally?*

## E-portfolio ALPS Network

*There are now seven funded mini-projects which include a variety of professions and settings e.g. sport, students abroad, social work.*

## Patient Safety Competency Mapping ALPS Network

*The patient safety map is well underway with excellent participation from colleagues both at meetings and in between meetings. Our target is to be ready with a full draft map for consultation event on 27<sup>th</sup> May.*

## Mobile Learning ALPS Network

*The Network is developing plans to complete a variety of workstreams, including supporting a masters level student project to investigate issue connected with student adoption of mobile learning.*
