

The Wolverhampton Showcase 30-06-16

Hello LEN Members,

Hope you are well....

Please find below our draft programme for the Showcase Event we're pleased to be hosting on 30th June 2016. This is in the process of being finalised and will be updated if needed.

We are limited to around 40 delegates due to the capacity of our Executive Suite in the new Business School adjacent to our Faculty building at City We Campus.

We are arranging for parking spaces for up to 30 delegates in an adjacent car park and these will have to be allocated on a first come basis.

Directions for getting to our Molineux North Campus can be found on the link on our website:

Delegates can book a space at the LEN Showcase Event at the University of Wolverhampton on Thursday 30th June 2016 by emailing FEHWevents@wlv.ac.uk stating the name of the event, their name and contact details. We will then contact you to find out about access, diet or parking requirements and send you the finalised agenda.

Kind regards
Rupy
